REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

This has been a year of positive change at Chester High School. Academically, CHS has implemented additional remedial classes in math and English, added an AP statistics class, implemented a morning HSAP review program, and rescheduled students mid-year based on first semester progress. Discipline has improved at Chester High School due to the addition of a new assistant principal position, increased parent communication, and interventions.

We have made an effort to increase teacher recognition along with student recognition by establishing a CHS Hall of Fame for each. Plaques honoring success on state and national tests/certifications and athletic achievements have been placed in the front entrance hallway. We have received encouraging comments from parents and community members praising our efforts to increase communication. In addition, response to our first Parent-Student Day was overwhelmingly positive.

We look forward to a continuation of this progress in the coming year.

Mr. Leonard J. Gardner  
Principal
